

Best Practice 2 : COUNSELING/LECTURES FOR GIRLS THROUGH “SHE TEAMS”

1. **Objectives :** The underlying objective of this ‘best practice’ is to bring awareness among the girl students about unethical practices going around the society, in which they live and interact daily.
2. **Context :** The girl students are facing many problems in and around the society. So, they need some kind of awareness and exposure to express themselves, in order to overcome the challenges faced by them in day-today life.
3. **Evidence of Success :** The girl students have expressed boldly to face their problems with the help of 'SHE' Teams support. They were inspired by the lectures of 'SHE' Teams.
4. **Problems encountered:** No major problems have been encountered in our college.
