Annual Report of Faculty Development Committee for the Academic Year 2018-19

Any organisation's future depends on their faculties and who in turn depend on the knowledge, skills, expertise and motivation. Development and training is a continuous and systematic process, so Faculty Development Programme is essential to achieve organisation's major and long term goals. To promote and nourish the faculties of the college for continuous improvement of the faculty and institutional profile, FDPs are organized.

Faculty Development Committee meets at regular intervals.

Total 6 FDPs were organized in this academic year concentrating on various development areas of faculties. Out of which one state level FDP, 2 Regional level FDPs, 3 College level FDPs were organized. The FDP on "Challenges of Teachers in Inspiring the Students" which had been organized in association with Dhanwantri Institute of Science & Technology (DIST), Hyderabad, focused on the responsibilities of teachers in inspiring the students and creating a learning environment in the class.

The FDP on "Business Intelligence for Profits" had thrown a light usage of available data for business profits.

Excel today is the need of greater importance. It allows the individual to have the ability to use simple spreadsheet capacities like practical tools, equations, diagrams and other critical tools. The two sessions on computer skill development – MS-Excel, proved the faculty proficiency in using the spreadsheets.

An FDP on "Investment Awareness" explained the importance of financial planning and plans for investments in mutual funds.

Total 279 participants benefitted from the above mentioned FDPs.
