

## Formation of Parent Association

**Objective:** “A Parents' Association shall promote the interests of the students in the college in co-operation with the Principal, Faculty and students.”

The staff and Management of IIMC wants to create a climate of physical, emotional, social and intellectual safety for students, teachers and parents so that teaching and learning can occur within relationships of mutual valuing and respect.” This work shall be carried out by the selected representatives of the Parents Association who make up the Parents Committee. The Parent Association can advise the principal and Board of Management on policy issues and incidents that may require a review of Administrative policy, e.g. Bullying, Safety, Enrolment, Behavior problems etc.

Parent Associations can suggest and/or organize extra-curricular activities. The Parent Association can invite speakers to address the parents on issues which are topical or relevant. The Parent Association is not a forum for complaint against either an individual faculty member or parent.

The committee is the team that will manage the tasks of the parents' association on behalf of the parent body (the members). Decisions will be reached by a majority of those present at a committee meeting.

At its first meeting the Committee has elected, for a term of two years, the Executive Committee namely President, Vice-President, Joint Secretary, General Secretary and 5 more EC Members as well as Advisory Committee members.
