

## **7.2.1. Best practices adapted by the institution during 2020-21**

### **Best Practice: 2**

#### **1. Upgradation of Infra structural Facilities**

##### **Objective:**

To provide expansive infrastructure.

##### **Outcome:**

Utilization of infra-structural facilities ergonomically.

##### **Context:**

The Principal of college proposes extension, construction and renovation of the existing facilities of equipment and other infrastructural facilities. It is mainly done by keeping in view the additional number of students.

##### **Practice:**

The college takes necessary care and precaution towards the maintenance of its infrastructure, facilities and equipment. To make optimum use of the existing infrastructure for teaching and learning, time table of UG and PG is designed in a systematic way.

##### **Evidence of success:**

The Classrooms in the fourth floor, spacious Computer lab with 60 computers and Sports room were newly constructed, to excel at stakeholder's expectation and provide a conducive and vibrant environment for holistic development and progress. Furniture including benches, desks, tables, cupboards and chairs are repaired and some are replaced.
